S. RES. 512

Whereas aphasia is a communication impairment caused by brain damage that typically results from a stroke;

Whereas aphasia can also occur with other neurological disorders, such as a brain tumor;

Whereas many people with aphasia also have weakness or paralysis in the right leg and right arm, usually due to damage to the left hemisphere of the brain, which controls language and movement on the right side of the body;

Whereas the effects of aphasia may include a loss of or reduction in the ability to speak, comprehend, read, and write, but the intelligence of a person with aphasia remains intact;

Whereas according to the National Institute of Neurological Disorders and Stroke (referred to in this preamble as the "NINDS"), stroke is the third-leading cause of death in the United States, ranking behind heart disease and cancer;

Whereas stroke is a leading cause of serious, long-term disability in the United States;

Whereas the NINDS estimates that there are about 5,000,000 stroke survivors in the United States;

Whereas the NINDS estimates that people in the United States suffer about 750,000 strokes per year, with approximately 1/3 of the strokes resulting in aphasia;

Whereas according to the NINDS, aphasia affects at least 1,000,000 people in the United States;

Whereas the NINDS estimates that more than 200,000 people in the United States acquire the disorder each year;

Whereas the National Aphasia Association is a unique organization that provides communication strategies, support, and education for people with aphasia and their caregivers throughout the United States; and

Whereas as an advocacy organization for people with aphasia and their caregivers, the National Aphasia Association envisions a world that recognizes the "silent" disability

of aphasia and provides opportunity and fulfillment for people affected by aphasia: Now, therefore, be it

Resolved, That the Senate—

(1) designates June 2010 as "National Aphasia Awareness Month";

(2) supports efforts to increase awareness of aphasia;
